Dear Friends,

Here is a leather-bound copy of my catalog of the graphic works of Salvador Dalí.

Some of the listings of your estampes are not correct, because I did not have accurate information from you about them.

Corrections will be made as soon as I have the complete information. These will be published in the Collectors Newsletter, and perhaps as a separate supplement.

Many thanks for the postcard from San Remo.

I am sorry to hear of Mara's injury. I hope you are back in good health very soon.

Albert
